Medical Career College of Northern California Policy of Determining Which Students Would Receive Emergency HEERF Grant Funds

Eligibility for Emergency Grant Funds

Per the Department of Education's guidance, students are eligible for CARES Act funds depending on their needs. A Committee has been established and they will review questionnaires and applications on an ongoing basis until all funds are spent in the order applications are received. The Committee will take into consideration the following items:

- Eligible as determined by the Free Application for Federal Student Aid (FAFSA)
- U.S. Citizenship or eligible noncitizen*
- Valid Social Security number
- Registration with Selective Service (if the student is male)
- Maintain satisfactory academic progress in their course of study
- Your personal financial information and household expenses
- The cost of attending the program
- Do not owe a refund on grants previously received or in default on any federal student loans
- Students must be enrolled into programs after March 13, 2020
- If you already filed a FAFSA and received Title IV, you may be eligible
- Currently enrolled at the time of the notification

These items will be scored individually and then added up to create your needs-based score. That score will then determine which tier of funding that you fit into.

The Committee has developed a 4 Tier funding system within each program. Tier 4 being the most in need and Tier 1 being the least in need. The score you receive will be an accumulation of all the individual scores within the CARES Act Eligibility Questionnaire that the students will need to fill out and submit to the school along with the CARES Act Grant Application.

*Generally, you are an eligible noncitizen if you are (1) a permanent U.S. Resident with a Permanent Resident Card (I-551); (2) a conditional permanent resident with a Conditional Green Card (I-551C); (3) the holder of an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designation:

“Refugee, “Asylum Granted,” “Parolee (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder (T-1, T-2, T-3, etc) or “Cuban-Haitian Entrant,” or (4) the holder of a valid certificate or eligibility letter from the Department of Health and Human Services showing a designation of “Victim of human trafficking.”

Notification Letter to Student Sent January 12, 2021

Dear Student,

Like other students everywhere, we know that many of our students are facing unexpected financial hardships and other personal challenges due to the COVID 19 crisis. Despite these difficult times, you have persisted in your education and career goals and all of us here at MCCNC are very proud of your progress.

The federal CARES Act has provided colleges and universities with some stimulus funds. MCCNC will be providing emergency CARES grants to eligible students in good standing who are enrolled during a payment period effected by COVID-19. The emergency grant funds are for students that suffered from disruption operations due to COVID-19.

Unfortunately, the funding for this program is limited. Applicants will be awarded on a needs basis. To ensure these emergency funds reach the students who are affected by COVID-19, and per federal guidelines, we will provide the awards based on verification of Title IV financial aid eligibility and eligibility based on the completion of the CARES Act Eligibility Questionnaire and the CARES Act Grant Application. The student must attest in the questionnaire that they had expenses related to the disruption of campus operations due to COVID-19. Students may use these funds for any expenses related to the disruption of campus operations due to COVID-19. Funds may also be applied to tuition, if you choose to do so. All fund will be paid directly to you by way of check. Our goal is to get these resources distributed to our students as quickly as possible. A submitted questionnaire and application will initiate the review process. Please return the questionnaire and application to mccnc2000@yahoo.com. If you have any additional questions regarding the Emergency Grant Fund Application or the Eligibility Questionnaire process, please call Diane Morgan at 916-721-7106.

Sincerely,

Diane Morgan, School Director
