### **Student's Right to Cancel & Refund Policy**

You have the right to cancel your program of instruction, without any penalty or obligations:

1. A full refund of all tuition and fees paid will be made: if a applicant cancels his/her Enrollment Agreement by notifying MCCNC within three days of enrollment.
2. Subsequent to this three-day cancellation period, the applicant requesting cancellation prior to the start of classes is entitled to a refund of all monies paid less a registration fee to 10 percent of the contract price or \$100, whichever is less.

MCCNC will refund the applicant any money he/she paid, less a registration or administration fee not to exceed \$100, within 45-days after the notice of cancellation is received. Any books issued to the student must be returned in excellent condition to have the textbook fee refunded.

After the end of the cancellation period, you also have the right to discontinue school at any time: please see "Withdrawal from the Program: in the school's catalog, for more details. Student's last day of attendance is the last day a student had academically related activities.

Determination of cancellation may occur when the student provides a written notice of cancellation and can be done by e-mail, mail or by hand.

Student refund calculated according to their scheduled hours of attendance, not their actual hours of attendance.

Student refund calculations do not include make up hours.
