\*Re-locating to another state:

The Limited Permit X-ray program is a California approved program. Students enrolled in this program will need to understand that if they choose to relocate to another state, their license may or may not transfer to that state. It is recommended that the student/graduate check with that state prior to relocating.

\*\*Tablets are available to loan out to students if the student does not have access to a computer that fits the above requirements. The loan of the table it free of charge.
